It hasn't been long since the last time other groups the government clashed over Pepe.
Well, after they got tired of fighting, they decided to share Pepe.
Anyone who try to dominate him will turn everyone else as his enemy.
The only way to taste Pepe's cooking now is ...
Running into him one day and hope he cooks for you. Now that he wonders around, who knows where he is.
Domn, I wonder who's tasting Pepe's cooking right now.
Rumors say he is staying in that group right now ...
Far real ? Maybe, we should join them.
Right ... As if we will get a chance to eat his dishes.
Dude..., you have a point there.

I belong to the Mafia ! You shouldn't do this to me !

So, where is this Pepe ?

Hah ! Are you trying to kidnap Pepe with just three ? Are you fucking kidding me here ?!

I understand the world getting fucked up, but it's getting worse every day !

Hah, you will soon end up dead.

I ask you last time. What is this group that Pepe is staying with right now ?

Make me. I am the best merc in my group.

I guess ... I will have to do this ... I wish I didn't have to but, oh well ...

Let me borrow your ear for a sec.

?

Chu ~

What the hell are you doing now, you freaks ?!

Ah, FUCK ! Whatever ! I will just kill you and get this shit over with !

Hurts ! It hurts !

What did you awaken me for all of a sudden ?! Man, this is hurting really bad !!!

... Sir, spare me. ..... Please.

We told you ! Just tell us where Pepe is and you will be free to go.
